#### **INDEPENDENT AUDITOR'S REPORT**

To the Executive Board of Mountain View Community Church of Murrieta/Temecula Valley dba The View Church Menifee, California

#### Opinion

We have audited the accompanying financial statements of The View Church (a nonprofit organization), which comprise the statement of financial position as of December 31, 2021, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of The View Church as of December 31, 2021, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

#### **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of The View Church and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The View Church's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

#### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements. In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit. •
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The View Church's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant • accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The View Church's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

James Williams & Co., A.C.

Fresno, California July 6, 2023

## NOTES TO FINANCIAL STATEMENTS

### 1. The Church

The View Church, hereafter the Church, is a California not-for-profit religious corporation and exist to spread the gospel of Jesus Christ by preaching and teaching the word and to disciple those who accept the gospel message. The Church conducts numerous activities in accomplishing its purpose, including the public worshiping of God, the preaching of the Gospel, consistent Christian living by its members, personal evangelism, missionary endeavors and Christian education. Legal control of the Church is vested in its pastor and trustees. The Church's primary source of revenue is tithes and offerings received from members and guests.

#### 2. Summary of Significant Accounting Policies

#### Basis of Presentation

The financial statements of the Church have been prepared in accordance with U.S. generally accepted accounting principles, which require the Church to report information regarding its financial position and activities according to the following net asset classifications:

<u>Net assets without donor restrictions</u>: Net assets that are not subject to donor-imposed restrictions and maybe expended for any purpose in performing the primary objectives of the organization. These net assets may be used at the discretion of the church's management and the executive board.

<u>Net assets with donor restrictions</u>: Net assets subject to stipulations imposed by donors, and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Church, or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity.

Donor restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the statement of activities.

#### Cash and Cash Equivalents

Cash and cash equivalents include all monies in banks and highly liquid investments with maturity dates of less than three months. The carrying value of cash and cash equivalents approximates fair value because of the short maturities of those financial instruments.

#### Property and Equipment

Property and equipment includes land, building, and equipment. Property and equipment additions over \$5,000 are recorded at cost. Property acquired by gift is sold immediately and the sale proceeds are recorded as income. Estimated useful lives are thirty-nine years for buildings and five to seven years for furniture and equipment. Repair and maintenance items are charged to expense as incurred. When property and equipment are retired, sold, or otherwise disposed of, the asset's carrying amount and related accumulated depreciation are removed from the accounts and any gain or loss is included in operations.

Depreciation of \$86,909 in year 2021 was calculated on the straight-line method over the estimated useful lives of the assets.

#### Intangible Assets

Intangible assets subject to amortization include bond issuance costs. Amortization is computed using the straight-line method over the life of the related loan. Amortization was \$9,945 for the year ended December 31, 2021.

# NOTES TO FINANCIAL STATEMENTS

#### 2. Summary of Significant Accounting Policies (continued)

#### Contributions

Contributions received are recorded as net assets without donor restrictions or net assets with donor restrictions, depending on the existence and/or nature of any donor-imposed restrictions. Contributions that are restricted by the donor are reported as an increase in net assets with donor restrictions, depending on the nature of restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions.

Contributed property and equipment are recorded at fair value at the date of donation. Contributions with donor-imposed stipulations regarding how long the contributed assets must be used are recorded as net assets with donor restrictions; otherwise, the contributions are recorded as net assets without donor restrictions.

#### Contributed Services

The Church receives a substantial amount of services donated by its members in carrying out the Church's ministry. No amounts have been reflected in the financial statements for those services since they do not meet the criteria for recognition under U.S. generally accepted accounting principles.

#### Compensated Absences

The Church has not accrued vacation or sick pay. The Church's policy is to recognize these costs when actually paid.

#### Income Taxes

The church is exempt from income taxes under Section 501(c)3 of the Internal Revenue Code. The Church is not required to file tax returns with the Internal Revenue Service and other taxing authorities. Accordingly, these financial statements do not reflect a provision for income taxes and the Church has no tax positions which must be considered for disclosure. In addition, the church qualifies for the charitable contributions deduction under Section 170(b)(1)(A) and has been classified as an organization other than a private foundation under Section 509(a)(2).

#### Functional Expenses

The costs of providing program and other activities have been summarized on a functional basis in the statements of activities. Accordingly, certain costs have been allocated among program and general and administration. Such allocations are determined by management on an equitable basis.

#### Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could vary from the estimates that were used.

# NOTES TO FINANCIAL STATEMENTS

### 2. Summary of Significant Accounting Policies (continued)

#### Revenue and Revenue Recognition

Revenue is recognized when earned. Contributions are recognized when cash, other assets, or an unconditional promise to give is received. Conditional promises to give are not recognized until the conditions on which they depend have been substantially met.

#### Fair Value of Financial Instruments

The carrying value of the Church's cash and credit cards payable approximates fair value because of the short-term maturity of those instruments. The Church's estimate of the fair value of the long-term debt is based on the current rates available for loans of the same remaining maturities and their estimated fair values approximate their recorded values at December 31, 2021.

#### 3. Availability and Liquidity of Financial Assets

On December 31, 2020, the Church has \$371,248 of financial assets available within 1 year of the balance sheet date to meet cash needs for general expenditure consisting of \$118,110 in cash and \$253,138 in bond sinking fund. To help manage unanticipated liquidity needs, the Church's financial assets are available for general expenditures, liabilities, and other obligations.

#### 4. Bonds and Notes Payable

First Mortgage Bonds, 2019 Series, secured by Deed of Trust with varying rates (3.15% to 6.75%) maturing in various amounts through March 22, 2044.	\$ 3,760,000
Secured promissory note due to The Baptist Foundation of California, a California nonprofit corporation, secured by deposit account held by the Foundation. Monthly payments of \$554 include 5% interrest and the note matures June 2036.	68,561
SBA Economic Injury Disaster Loan of \$150,000, dated May 22, 2020, is a 30-year loan with an interest rate of 2.75%. Though no payments are required during the first year of the loan, interest still accrues during this deferment period. Monthly payments of \$641 due monthly began during January 2023. The note is secured by all tangible and intangible personal	
properties of the Church.	156,668
Total Bonds and Notes Payable:	\$ 3,985,229

# NOTES TO FINANCIAL STATEMENTS

#### 4. Bonds and Notes Payable (continued)

Future scheduled payments and annual maturities are as follows:

Year Ending December 31:				
2023	\$	89,716		
2024		93,980		
2025		98,255		
2026		102,541		
2027		108,841		
Thereafter	-	3,491,896		
	\$ _	3,985,229		

The Chuch paid \$249,596 for interest during the year ended December 31, 2021.

## 5. Net assets with donor restrictions

During the year ended December 31, 2021, the Church received \$29,099 in donations restricted for the purpose of building improvements, and mission and ministry purposes. Those funds were all expended for their related purposes and at December 31, 2021, there are no temporarily restricted funds on hand.

#### 6. Lease Commitments

The Church currently leases a printer/copier. The current equipment lease is classified as an operating lease and the terms call for \$8,059 future minimum lease payments during the year ended December 31, 2021. This lease commitment concludes during 2021 and there are no additional lease commitments.

### 7. Subsequent Events

Management has evaluated subsequent events through July 6, 2023, the date on which the financial statements were available to be issued and has no material subsequent event items identified requiring recognition or disclosure.
